

*Our vision is to bring the world's best theological education to your local church.*

Announcing an Exciting New Study Opportunity  
From WESLEY MINISTRY NETWORK:

# Religion and Science Pathways to Truth

Hosted by **Francis S. Collins**, Director, The Human Genome Project  
With Contributions from More Than a Dozen Other Leading Scientists and Theologians

## Can you be a Christian and take science seriously?

At a time when influential voices are demanding that we either abandon the practice of religion or reject the findings of science, this essential and inspirational course offers a positive alternative: a way to live in today's world as scientifically informed believers.
